## Meet the Explorers

**Meriwether Lewis**, a young Army captain, was handpicked by Jefferson for his exceptional leadership skills and scientific prowess. **William Clark**, Lewis's close friend and brother-in-law, brought years of frontier experience and a keen understanding of Native American culture.

Together, they assembled a diverse group of frontiersmen, soldiers, and interpreters, including the legendary Native American guide Sacagawea.

## Conquering Challenges

The expedition faced countless challenges, from treacherous river crossings to hostile encounters with grizzly bears. Undeterred, Lewis and Clark navigated treacherous terrain, scaled mountains, and crossed the expansive Missouri River.

Their encounters with Native American tribes were both heartwarming and sobering, as they learned about the indigenous peoples' cultures and the complexities of their relationships with the land.

### **The Legacy of Exploration**

After three grueling years, Lewis and Clark triumphantly returned to St. Louis, having mapped over 8,000 miles of unexplored territory. Their findings transformed the nation's understanding of the West, paving the way for future settlements and the westward expansion of the United States.

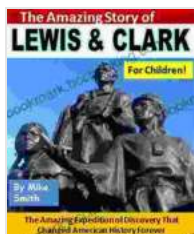

Lewis and Clark's expedition had a profound impact on the United States.
