Penned by the renowned storyteller Jim Aylesworth, this captivating adventure invites you to embark on a magical journey filled with laughter, suspense, and heartwarming lessons.

Once upon a time, in a cozy cottage nestled amidst a verdant forest, an old woman embarked on a delectable adventure. With flour, sugar, and spice, she crafted a life-sized Gingerbread Man, his rosy cheeks and beaming smile exuding warmth and mischief. But to her astonishment, as soon as she placed him in the oven, the Gingerbread Man sprang to life!

With a mischievous glint in his eyes and a spring in his step, the Gingerbread Man embarked on a thrilling chase through the countryside. As he ran, he encountered a hungry fox, a sly cat, and a gurgling pig, each eager to make him their meal. But with his quick wit and a dash of cunning, the Gingerbread Man outsmarted his pursuers, leaving them in a cloud of gingerbread crumbs.

As the sun began its descent, casting long shadows across the land, the Gingerbread Man's adventure led him to a treacherous river. With a

determined gleam in his eyes, he constructed a makeshift raft and paddled across the swift currents. However, just as he reached the opposite bank, a crafty crocodile emerged from the depths, its sharp teeth bared.

In a moment of desperation, the Gingerbread Man remembered a peculiar riddle he had heard. With a twinkle in his voice, he posed the riddle to the crocodile, challenging its cunning. To the crocodile's dismay, it failed to solve the riddle, leaving the Gingerbread Man free to continue his journey.

Finally, as night enveloped the forest, the Gingerbread Man stumbled upon a cozy cottage. Exhausted but filled with gratitude, he knocked on the door, seeking shelter from the cold and darkness. To his surprise, it was the same old woman who had created him. With open arms, she welcomed him home, offering him a warm bed and a delicious supper.

Curled up by the fireside, the Gingerbread Man reflected on his remarkable adventure. He had faced challenges, made friends, and learned the importance of quick thinking and perseverance. As the embers crackled and the moon cast its gentle glow, the Gingerbread Man drifted off to sleep, content and fulfilled.
