# APPEARANCES

Life shows itself to me  
as appearances -  
situations that look inviting.

I say to myself  
"I want the experience"  
so I have the experience.

But life is a living thing.  
It evolves, it fluctuates,  
it changes shape.

After a while it no longer  
looks the same way  
as it first appeared.

So I change with it  
evolve with it  
and move on to another  
experience.

Appearances.
