

Glocal Perspective: The Routledge Studies in Management, Organizations, and Society

This book provides a unique and timely analysis of the complex and dynamic relationship between globalization and localization.

In today's interconnected world, it is more important than ever to understand the ways in which global processes are shaped by local contexts, and how local practices are affected by global forces. This book brings together leading scholars from a variety of disciplines to explore these issues in depth.

Industry 4.0: A Glocal Perspective (Routledge Studies in Management, Organizations and Society) by Jerzy Duda
