Goodbye Antoura is a powerful and moving memoir that tells the story of the Armenian Genocide through the eyes of a young girl named Aurora Mardigianian. Aurora's story is one of unimaginable suffering and loss, but it is also a story of hope and resilience.

Aurora was born in the Armenian town of Antoura in 1891. Her father was a wealthy merchant, and her family lived a comfortable life. However, in 1915, the Ottoman Empire began to persecute the Armenians. Aurora's father was arrested and killed, and her family was forced to flee their home.

Aurora and her family traveled for months, trying to escape the Ottoman soldiers. They were often hungry and exhausted, and they witnessed unspeakable horrors. Aurora's mother and sister were both killed, and she was eventually forced to work as a slave in a Turkish harem.

Despite the unimaginable suffering she endured, Aurora never gave up hope. She escaped from the harem and eventually made her way to the United States. In 1918, she published her memoir, *Goodbye Antoura*, which became a bestseller. Aurora's story helped to raise awareness of the Armenian Genocide, and it continues to inspire people today.
