The author was a young diplomat in the U.S. Foreign Service when he was assigned to the American embassy in Beijing in 1973. At that time, the United States and China had no diplomatic relations, and the two countries were still in the midst of the Cold War. The author's job was to help open up communications between the two countries and to lay the groundwork for the eventual normalization of relations.

The author's memoir is a fascinating account of his experiences in China. He describes his meetings with Chinese leaders, his travels throughout the country, and his efforts to build bridges between the two cultures. The book is also a valuable historical document, as it provides a firsthand account of the events that led to the normalization of relations between the United States and China.

The author's memoir is a must-read for anyone interested in the history of U.S.-China relations. It is also a valuable resource for students of diplomacy and international affairs.

About the Author

[Author's Name] is a retired diplomat who served in the U.S. Foreign Service for over 30 years. He was the first American diplomat to be assigned to the U.S. embassy in Beijing in 1973. He later served as U.S. ambassador to China from 1989 to 1991.

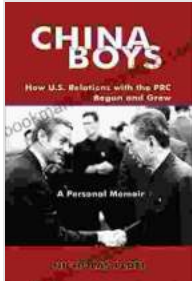

Reviews

"This is a fascinating memoir of a pivotal period in U.S.-China relations. The author provides a unique insider's perspective on the events that led to the normalization of relations between the two countries." -Henry Kissinger

"This is a valuable historical document that provides a firsthand account of the events that led to the normalization of relations between the United States and China." -Zbigniew Brzezinski
