The book is divided into three parts. Part 1 covers the planning phase, including choosing the right time to climb, getting the necessary permits, and packing the right gear. Part 2 covers the climb itself, including the different routes to the summit and the challenges you will face along the way. Part 3 covers the post-climb phase, including how to recover from your climb and what to do if you need medical assistance.

*How to Mount Aconcagua* is written by a team of experienced mountaineers who have climbed Aconcagua multiple times. The book is packed with practical advice and tips, and it is illustrated with beautiful photographs and maps. Whether you are a beginner or an experienced climber, *How to Mount Aconcagua* is the essential guide to climbing the highest mountain in the Americas.
