

Infinite by Jeremy Robinson: A Mind-Bending Exploration of Parallel Universes and Time Travel

Synopsis

Cal Meacham's life is turned upside down when he discovers that his father was not who he thought he was. Sent on a journey to find his true parentage, Cal learns that he has the ability to travel between parallel universes and through time.

Cal's journey takes him to a variety of different worlds, each with its own unique set of challenges and dangers. He must learn to master his newfound abilities and use them to stop a madman who is threatening to destroy all of reality.

Review

Infinite is a mind-bending exploration of parallel universes and time travel. Robinson does an excellent job of creating a complex and believable world that is both fascinating and terrifying.

Cal is a relatable and sympathetic protagonist, and his journey is one that readers will root for from beginning to end. The supporting cast of

characters is equally well-developed, and each one plays an important role in the story.

The plot of *Infinite* is fast-paced and suspenseful, with plenty of twists and turns to keep readers on the edge of their seats. Robinson does a great job of balancing the action with the character development, and the result is a novel that is both entertaining and thought-provoking.

Overall, *Infinite* is a must-read for fans of science fiction, adventure, and thrillers. It is a mind-bending exploration of the possibilities of parallel universes and time travel, and it is sure to leave readers thinking about it long after they finish reading it.

About the Author

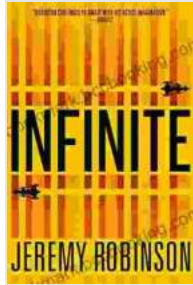

Jeremy Robinson is a New York Times bestselling author of over twenty novels, including the popular Jack Sigler thrillers and the Project Nemesis series. Robinson's books have been translated into over twenty-five languages and have sold millions of copies worldwide.

Robinson is a graduate of the United States Air Force Academy and a former Air Force officer. He is also a licensed private investigator and a certified scuba diver.

Robinson lives in Colorado with his wife and two children.
