By Peter Lewis

Liquidation is a comprehensive guide to the legal and practical aspects of business failure and corporate restructuring. Written by an experienced insolvency lawyer, this book provides clear and concise advice on how to deal with the challenges of business failure, including:

- Recognizing the signs of financial distress

- Understanding the different types of insolvency procedures
- Appointing an insolvency practitioner
- Negotiating with creditors
- Realizing assets and distributing proceeds

Liquidation also includes case studies and examples to illustrate the key principles discussed in the book. This book is an essential resource for business owners, corporate executives, and anyone else who needs to understand the legal and practical aspects of business failure and corporate restructuring.

About the Author

Peter Lewis is an experienced insolvency lawyer and the author of several books on insolvency and corporate restructuring. He is a partner at the law firm of Lewis & Co., which specializes in insolvency and commercial law.

Reviews

"Liquidation is an essential guide for business owners and corporate executives facing the challenges of business failure.
