A gripping and suspenseful thriller that will keep you on the edge of your seat from beginning to end.

Jack Widow is a man with a past. A past that he's been running from for years. But now, his past has caught up with him, and he's about to be dragged back into the darkness.

Jack is a former assassin, a man who was once one of the most feared killers in the world. But after a botched mission, he walked away from that life, and he vowed never to go back.

But now, the people he used to work for are after him. They want him dead, and they'll stop at nothing to get to him.

Jack is forced to go on the run, and he must use all of his skills and experience to stay alive. But his pursuers are closing in, and he knows that

time is running out.

With nowhere else to turn, Jack turns to the one person he thought he could never go back to: his former handler, Sarah.

Sarah is a woman who knows Jack better than anyone else. She knows his strengths and weaknesses, and she's the only one who can help him survive.

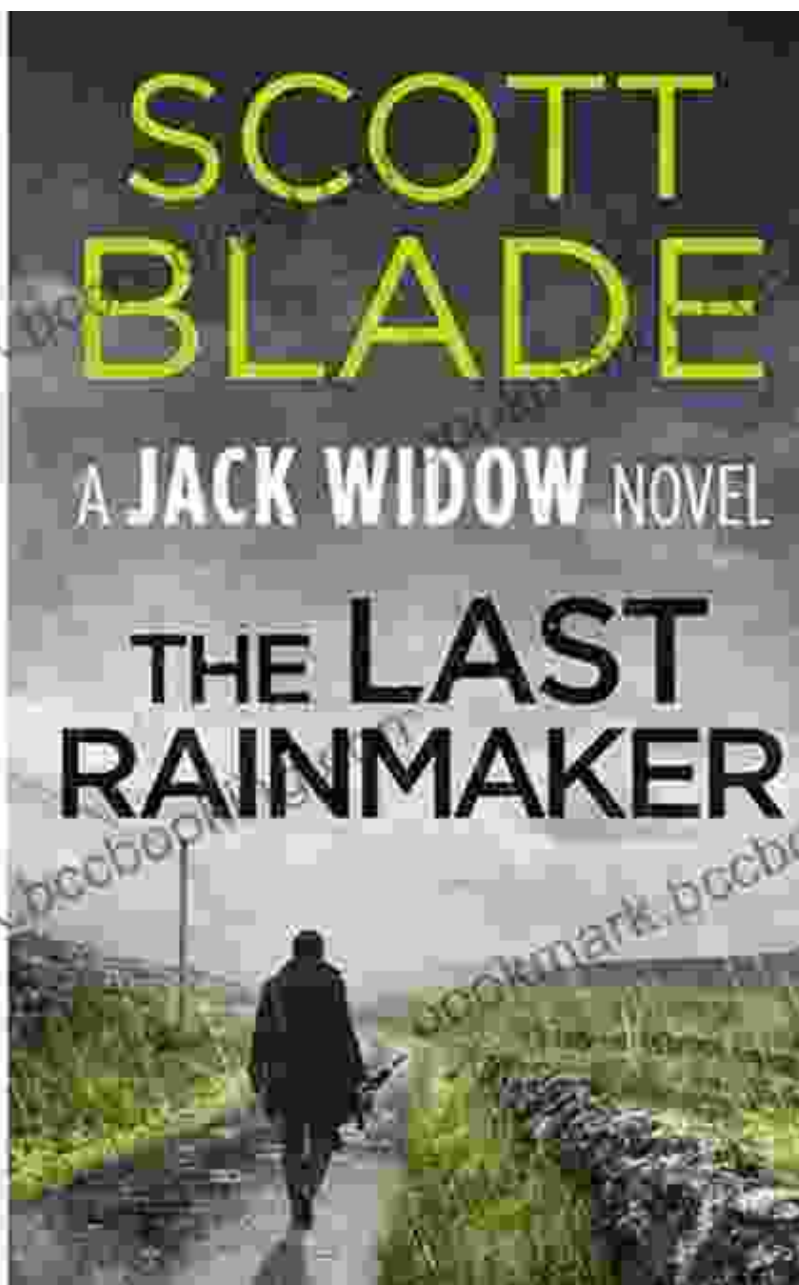

But Sarah has her own secrets, and she's not the only one who's after Jack. There are other forces at play, and they're all willing to do whatever it takes to get to him.

Jack and Sarah must race against time to find out who's behind the plot to kill them, and they must stop them before it's too late.
