The tales in this book are perfect for bedtime reading or for sharing around a campfire. They are sure to entertain and inspire children of all ages.

## Odin's Hungry Horse

One of the most popular Norse folk tales is the story of Odin's hungry horse, Sleipnir. Sleipnir was a magical eight-legged horse that was born to the giantess Svadilfari. Odin rode Sleipnir into battle and on many other adventures.

One day, Odin and Sleipnir were riding through the forest when they came across a group of giants. The giants were hungry, and they demanded that

Odin give them Sleipnir to eat. Odin refused, and a battle ensued.

Odin and Sleipnir fought bravely, but the giants were too strong. Odin was forced to retreat, and Sleipnir was captured. The giants took Sleipnir back to their cave and began to cook him.

But Sleipnir was too clever for the giants. He used his eight legs to escape from the cave and run back to Odin. Odin was overjoyed to see Sleipnir again, and he rewarded him with a feast of hay and oats.

### **Other Tales in the Book**

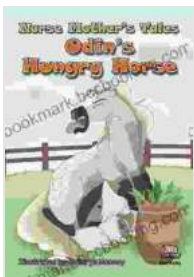

In addition to the story of Odin's hungry horse, Norse Mother Tales includes many other popular Norse folk tales, such as:

- The tale of Thor's hammer
- The tale of Loki's trickery
- The tale of the Valkyries
- The tale of Ragnarok

These tales are all full of adventure, magic, and wisdom, and they offer a glimpse into the rich cultural heritage of the Norse people.

Norse Mother Tales: Odin's Hungry Horse is a wonderful collection of traditional Norse folk tales that are sure to entertain and inspire children of all ages. These tales are a valuable part of the Norse cultural heritage, and they offer a glimpse into the lives and beliefs of the Norse people.

If you are looking for a book that is both entertaining and educational, then Norse Mother Tales: Odin's Hungry Horse is the perfect choice.
