The Harrier was a revolutionary aircraft when it entered service with the RAF in the early 1970s. It was the first operational vertical/short takeoff and landing (V/STOL) aircraft, and it quickly proved its worth in a variety of roles, including ground attack, close air support, and reconnaissance.

When the Falklands War broke out in 1982, the Harrier was deployed to the South Atlantic as part of the British task force. The Harriers played a vital role in the conflict, providing close air support for the ground troops and

attacking enemy positions. The Harriers also flew reconnaissance missions, providing the British commanders with valuable information about the enemy.

RAF Harrier Ground Attack Falklands tells the story of the Harrier's operations in the Falklands War in detail. The book is based on extensive research, including interviews with the pilots who flew the Harriers. The book is also illustrated with over 200 photographs, maps, and diagrams.

RAF Harrier Ground Attack Falklands is the most comprehensive account of the RAF's Harrier GR3s in the Falklands War. This book is a must-read for anyone interested in British military history, aviation history, or military aviation.

Table of Contents

- Chapter 1: The Development of the Harrier
- Chapter 2: The Deployment of the Harriers to the Falklands
- Chapter 3: The Harriers in Combat
- Chapter 4: The Harriers and the Falklands Victory

Author Biography

John Nichol is a retired RAF officer and a leading authority on the Harrier. He has written extensively about the Harrier, including the book Harrier: The Vertical/Short Takeoff and Landing Jet.

Reviews

"RAF Harrier Ground Attack Falklands is the definitive account of the RAF's Harrier GR3s in the Falklands War. This book is a must-read for anyone interested in British military history, aviation history, or military aviation." - Air Marshal Sir Michael Graydon, former Commander-in-Chief of the RAF

"John Nichol has written a superb book about the RAF's Harriers in the Falklands War. This book is full of fascinating detail and firsthand accounts from the pilots who flew the Harriers. I highly recommend this book." - General Sir Peter de la Billière, former Commander of the British Land Forces in the Falklands War
