Through a series of essays and interviews with leading writers, Wilbanks delves into the challenges and opportunities facing nonfiction writers today. She examines the rise of new forms of storytelling, such as literary journalism and narrative nonfiction, and considers the ways in which technology and social media are shaping the way we consume and produce information.

Wilbanks also addresses the ethical dilemmas that confront nonfiction writers, from the need to protect their sources to the responsibility to tell the truth. She argues that in an age of disinformation, nonfiction writers have a special obligation to be accurate, fair, and transparent.

Search for the Genuine is an essential read for anyone interested in the future of nonfiction writing. It is a timely and thought-provoking work that will help readers understand the critical role that nonfiction plays in our society.
