In this highly anticipated lecture, Dr. Glass will share her insights into the future of cities and the key considerations for creating more livable, sustainable, and equitable urban environments.

Date: March 8, 2023

Time: 6:30pm - 8:30pm

Venue: *SCAPE The Ground Theatre

*SCAPE, 2 Orchard Link, #04-01, Singapore 238801

About Dr. Jacqueline Glass:

Dr. Jacqueline Glass is a Professor of Urban Planning at the University of Pennsylvania and the Director of the Kleinman Center for Energy Policy.

She is a leading expert on urban development, housing, and transportation policy.

Dr. Glass has authored numerous books and articles on urban issues, including her most recent book, "The Urban Fix: Governing Urban Development in a Global Era" (2022). She has also served as an advisor to governments and international organizations around the world.

Why Attend the IPS Nathan Lecture?

- Gain valuable insights into the future of cities and the key considerations for creating more livable, sustainable, and equitable urban environments.
- Learn from world-renowned urban development expert Dr. Jacqueline Glass.
- Network with other professionals and experts in the field of urban development.
- Contribute to the ongoing dialogue on the future of cities.

IPS Nathan Lecture 2023: Seeking Better Urban Futures

The IPS Nathan Lecture is an annual event that brings together thought leaders and decision-makers to discuss critical issues facing Singapore and the world. The lecture is named after the late Mr. Nathan, who was a former President of Singapore and a strong advocate for urban development.

This year's lecture, "Seeking Better Urban Futures," will focus on the challenges and opportunities facing cities in the 21st century. Dr. Glass will

discuss how we can create more sustainable, equitable, and resilient cities that meet the needs of all residents.
