The book features stunning photography of spring flowers, captured by award-winning photographer John Gillespie. The photographs capture the beauty and resilience of nature, even in the midst of a global pandemic.

In addition to the photography, the book also includes essays and poems by a variety of authors, including Robin Wall Kimmerer, Alice Walker, and Mary Oliver. The essays and poems explore the themes of hope, resilience, and new beginnings, offering solace and inspiration during these challenging times.

Spring in the Time of Coronavirus is a beautiful and inspiring book that offers a message of hope and renewal. The book is a reminder that even in the darkest of times, there is always hope for a brighter future.
