By Kimberly Dawn Rempel

Super Friends 1976-1981 is the definitive guide to the classic animated series that introduced a generation of fans to the world of DC Comics superheroes. This comprehensive book features episode summaries, character profiles, and behind-the-scenes information.

Rempel's book is a labor of love, and it shows. She has clearly poured over every episode of the series, and her knowledge of the characters and their adventures is encyclopedic. The book is also beautifully illustrated with stills from the show and rare behind-the-scenes photos.

Whether you're a lifelong fan of Super Friends or you're just discovering the series for the first time, Super Friends 1976-1981 is a must-have. It's the perfect way to relive the adventures of Superman, Batman, Wonder Woman, Aquaman, Flash, Green Lantern, Martian Manhunter, Cyborg, and Glee.

Episode Summaries

Rempel's book includes detailed summaries of all 109 episodes of Super Friends. Each summary includes a brief overview of the plot, as well as a list of the main characters who appear in the episode.

The episode summaries are a great way to refresh your memory on your favorite episodes, or to discover new ones that you may have missed. They're also a valuable resource for researchers and fans who want to learn more about the series.

Character Profiles

In addition to the episode summaries, Rempel's book also includes profiles of all of the main characters who appeared in Super Friends. Each profile includes a brief biography of the character, as well as a list of their powers and abilities.

The character profiles are a great way to learn more about your favorite superheroes. They're also a valuable resource for cosplayers and other fans who want to create accurate representations of the characters.

Behind-the-Scenes Information

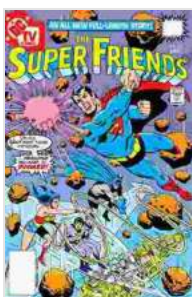

In addition to the episode summaries and character profiles, Rempel's book also includes a wealth of behind-the-scenes information about Super Friends. This information includes details on the show's development, production, and cast.

The behind-the-scenes information is a fascinating look at how Super Friends was made. It's a must-read for fans who want to learn more about the history of the series.

Super Friends 1976-1981 is the definitive guide to the classic animated series. It's a must-have for any fan of the show, and it's also a valuable resource for researchers and fans who want to learn more about the history of DC Comics animation.
