

# The Civil War in North America: Reconstructing America

## A Comprehensive and Engaging Account of the American Civil War

The Civil War in North America: Reconstructing America is a comprehensive and engaging account of the American Civil War. Written by a team of leading historians, the book provides a fresh perspective on the war and its aftermath.

The book begins with a discussion of the causes of the war, including the issue of slavery, the growing economic divide between the North and the South, and the political tensions between the two regions. The authors then provide a detailed account of the military campaigns of the war, from the first shots fired at Fort Sumter to the surrender of Confederate General Robert E. Lee at Appomattox Court House.
