Print length : 452 pages

Susanka begins by discussing the importance of understanding your own needs and lifestyle before you start designing your space. She then provides a step-by-step approach to space planning, furniture selection, color schemes, lighting, and accessories. Throughout the book, Susanka emphasizes the importance of creating spaces that are both beautiful and functional.

"A home should be a reflection of who you are and how you live," Susanka writes. "It should be a place where you feel comfortable and relaxed, where

you can entertain friends and family, and where you can simply enjoy being yourself." The Foundations of Enduring Spaces will help you create a home that is truly your own, a space that you will love for years to come.
