In the summer of 1936, the world's eyes were on Berlin, Germany, as the city hosted the Olympic Games. The Nazis had come to power in Germany just three years earlier, and they were determined to use the Games to showcase their Aryan supremacy. But one man, Jesse Owens, an African American from Ohio, had other plans.

Owens was a track and field star, and he had already set several world records. He was determined to compete in the Olympics and to prove that African Americans were just as capable as anyone else.

The Nazis were furious that Owens was competing in the Games. They had hoped to use the Olympics to show the world that Aryans were the superior race, and Owens' presence threatened to ruin their plans.

But Owens was not intimidated. He competed with all his heart and soul, and he won four gold medals. His victories were a major embarrassment to the Nazis, and they helped to show the world that African Americans were just as capable as anyone else.

Owens' story is an inspiring tale of triumph over adversity. It is a story that shows us that anything is possible, no matter what obstacles we face.

## **The 1936 Berlin Olympics**

The 1936 Berlin Olympics were a major propaganda event for the Nazi regime. The Nazis used the Games to showcase their Aryan supremacy, and they spared no expense in making the Games a success.

The Olympic Village was a state-of-the-art facility, and the Olympic Stadium was one of the largest and most impressive stadiums in the world. The Nazis also spent heavily on advertising and promotion, and they made sure that the Games were covered by the world's media.

The Nazis' propaganda campaign was successful in many ways. The Games were a major spectacle, and they helped to create a positive image of Nazi Germany. But the Nazis' propaganda also backfired in some ways. Owens' victories were a major embarrassment to the Nazis, and they helped to show the world that African Americans were just as capable as anyone else.
