The Story

In 2008, Brandi Wells and Amber Wright, two friends from small-town Indiana, embarked on a cross-country crime spree that would end in tragedy. The pair, both struggling with poverty and mental illness, robbed stores, stole cars, and committed other crimes as they made their way across the country.

As their crime spree continued, Brandi and Amber became increasingly desperate. They were hunted by the police, and the media portrayed them

as cold-hearted criminals. But behind the headlines, there was a more complex story.

Brandi and Amber were victims of circumstance. They grew up in poverty and had experienced trauma and abuse. They were also struggling with mental illness. As their crime spree continued, they spiraled further into despair.

The Aftermath

In 2010, Brandi and Amber were arrested and sentenced to prison. Brandi was sentenced to 40 years in prison, while Amber was sentenced to 25 years. In prison, Brandi and Amber began to turn their lives around. They got sober, they started therapy, and they began to make amends for the crimes they had committed.

In 2020, Brandi was released from prison. Amber is still in prison, but she is set to be released in 2025. Both women have expressed remorse for their crimes, and they are dedicated to living law-abiding lives.

The Themes

They'll Never Catch Us is a story about poverty, mental illness, and the power of friendship. It is a story about two women who made bad choices, but who also had the strength to turn their lives around.

The book explores the complex factors that can lead people to commit crimes. It also highlights the importance of compassion and redemption. Brandi and Amber's story is a reminder that even those who have committed terrible crimes can be given a second chance.
