## About the Book

In 'Fired Up About Reproductive Rights,' Dr. Crystal DeBoe and Katha Pollitt provide a comprehensive and thought-provoking exploration of the history, current state, and future of reproductive rights in the United States. This book is a must-read for anyone who cares about reproductive justice and the rights of women and all people who can give birth.

DeBoe and Pollitt trace the history of reproductive rights in the United States, from the early days of forced sterilization to the landmark Supreme Court decision in Roe v. Wade. They also discuss the current state of reproductive rights, including the ongoing attacks on abortion access and the rise of anti-abortion legislation.

But 'Fired Up About Reproductive Rights' is more than just a history lesson. It is also a call to action. DeBoe and Pollitt argue that reproductive rights are essential for individual autonomy and social justice. They provide readers with the tools they need to fight for reproductive justice, including information on how to get involved in local and national organizations.

'Fired Up About Reproductive Rights' is an essential resource for anyone who cares about reproductive justice. It is a timely and important book that will help readers understand the history and current state of reproductive rights in the United States, and it will inspire them to fight for a better future.
