### What is Astral Projection?

Astral projection, also known as out-of-body experience (OBE), is a conscious separation of the soul or consciousness from the physical body. Practitioners believe that during astral projection, the soul can travel to different planes of existence, interact with spirits, and gain access to higher knowledge.

### Biblical Warnings about Astral Projection

While astral projection may be seen as a form of spiritual exploration, the Bible explicitly warns against practices that involve leaving the body. In the Old Testament, God commanded the Israelites not to engage in mediumship or necromancy (Leviticus 20:6-7). In the New Testament, the apostle Paul cautioned against involvement with "familiar spirits" and condemned those who "seek after sorcery" (Acts 16:16; Galatians 5:20).

**Warning:** Astral projection can lead to encounters with demonic entities, causing spiritual oppression and even possession.

## **Spiritual Dangers of Astral Projection**

Engaging in astral projection without proper spiritual protection can have severe consequences for the individual. Here are some of the potential dangers:

- **Demonic Oppression:** Demons seek to gain access to human beings, and astral projection provides a direct pathway for them to enter and oppress the individual.
- **Spiritual Possession:** In extreme cases, demonic possession can occur during astral projection. This involves a complete takeover of the individual's personality and will.
- **Spiritual Deception:** Demons may pose as benevolent beings to mislead practitioners, leading them into spiritual error and false beliefs.
- **Soul Loss:** Astral projection can lead to the loss of soul fragments, resulting in a diminished sense of self and purpose.

## **Protecting Yourself from Demonic Influence**

If you are considering engaging in astral projection, it is imperative to take precautions to protect yourself from demonic influence. Here are some practical steps:

- **Seek Spiritual Protection from God:** Prayer, fasting, and the reading of God's Word provide a powerful shield against demonic attacks.
- **Renounce Involvement with Occult Practices:** Avoid any form of mediumship, necromancy, or other practices that involve contact with

spirits.

- **Exercise Spiritual Discernment:** Be mindful of the spiritual realm and discern between the influence of the Holy Spirit and the presence of demonic forces.
- **Surround Yourself with Godly People:** Surround yourself with a community of believers who can support and protect you spiritually.

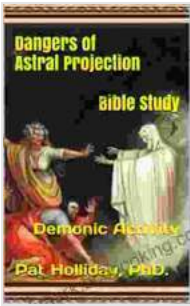

While astral projection may seem enticing, it is a dangerous practice that can lead to severe spiritual consequences. The Bible clearly warns against practices that involve leaving the body, and there are many documented cases of demonic activity associated with astral projection.

If you are seeking a true and safe path to spiritual exploration, turn to the Bible and the teachings of Jesus Christ. Through prayer, study, and a relationship with God, you can experience genuine spiritual growth and encounter the divine in a safe and edifying way.
