Upcycle It: Crafts for Kids Ages 12+ to Save the Planet and Make Awesome Stuff is the perfect book for kids who love to craft and want to make a difference in the world. With 20 fun and easy projects, kids can learn how to upcycle everyday items into unique and stylish creations.

Projects include:

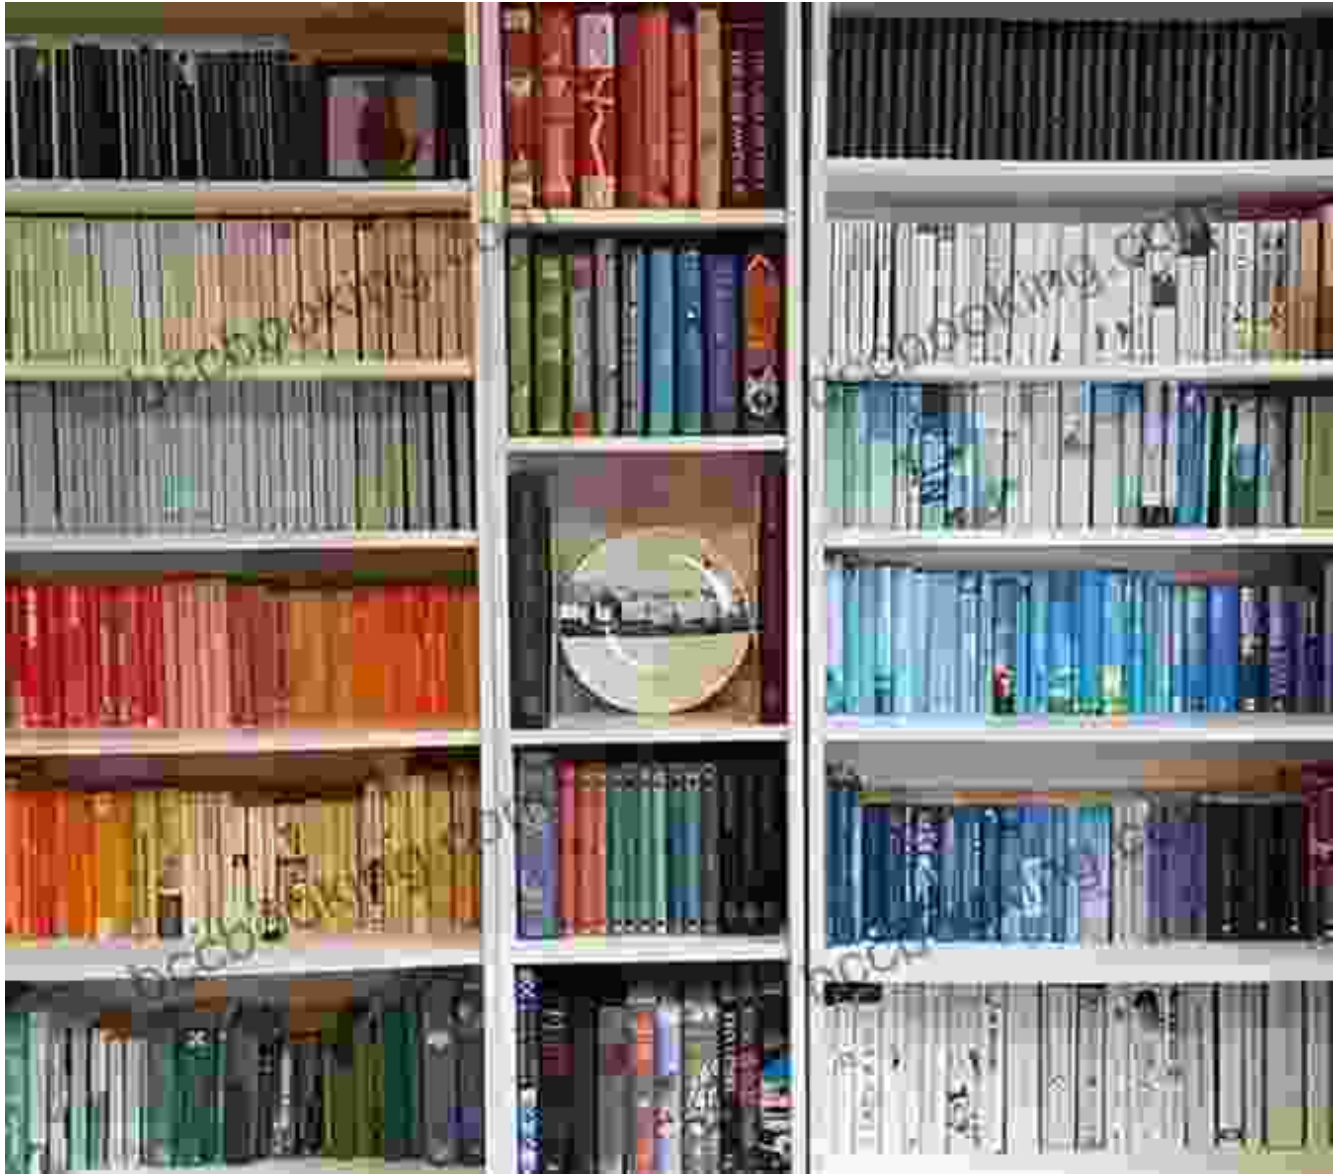

- A tote bag made from an old t-shirt
- A pencil holder made from a tin can
- A picture frame made from a cardboard box

- A jewelry box made from a shoebox
- A plant pot made from a plastic bottle

Each project is clearly explained with step-by-step instructions and full-color photographs. Kids will love making these projects and they'll be proud to show off their creations to their friends and family.

Upcycle It: Crafts for Kids Ages 12+ to Save the Planet and Make Awesome Stuff is the perfect book for kids who want to learn about upcycling, save the planet, and have some fun along the way.
